

Santa Is Four Days Early For U. G. C.

Mimi Rookledge expressed the wishes of U.G.C. for a "Merry Christmas" in an exceptionally original manner yesterday in the skit presented at the Upsilon Gamma Chi Christmas Party in the men's gym. Eight girls portraying Santa's reindeer, pulled in Santa herself (in the person of Peggy Anne Taylor) while Bette Marshall recited the poem, "The Night Before Christmas."

Donuts and punch were served during the two-hour program, and Mr. McCann's orchestra and Miss Lowe's vocal groups furnished appropriate music for the party.

Classes were dismissed at 2:30 to enable every student in the junior college to attend the Christmas get-together.

U.G.C. girls who gave generously of their time and talents were: Shirley Paul, Alice Carr, Peggy Connor, Eva Kelleher, Audrey Sumner, Gloria Brodie, Phyllis Smith, Lois Light, Betty Brubaker, Berma Langston, Kay Larkin, Pat Heple, Frances Munoz, Mary Preston, Alyce Kinder, Jean Feliz, Carol Silacci, and Norma McMaster.

Musicians In Concert January 10

The college orchestra will give its first concert of the year on Friday, January 10, in the J.C. Little Theater at 8 o'clock.

Mr. Lorell McCann announces that the orchestra this year is the largest the J.C. has had in many years. The January concert on Friday the 10th should be very entertaining for all music lovers. There will be no admission charge.

Mr. McCann will conduct the orchestra in the following selections: Slavonic Rhapsody No. 2, London Everyday Suite, Covent Garden-Tarantelle, Star Dust, Stormy Weather, and Gerry Magoon will solo on the cornet, playing "When Thou Comest. Barnard Paduska, student baritone, will sing a solo.

U.S.C. Class In Administration Open to Enrollees

Mr. Henry Cassidy, dean of lower division, recently received a letter from the University of Southern California stating that their School of Public Administration has been authorized to accept a limited number of students in the spring semester of

Salinas, California, Friday, December 20, 1946

Number 13

PROM TONIGHT AT HOTEL RIO

"Whee! Four hundred of them." "Four hundred what? That is a surprise that will be answered tonight at the Winter Ball, which is being held at the Hotel Rio Del Mar."

Tuxedos, fluffy gowns, and gardenias by the hundreds will decorate the Desert Room of the hotel tonight at 8:30.

Tables set for four, darkened lights, savory dinners, and Hal Pruden's orchestra are all in store for tonight's festivity.

Lloyd Smith, Beverly Staton, Finis Jeffers, Kenneth Abbott, Pattie Weatherbie, Jeanne Stanbery, and Wes Hammond, personalities of prom arrangements, will be at the hotel tonight. They will enjoy the success that will be theirs when the evening is ended with the all-around heart-felt sentiments that it WAS a lovely evening.

Committee Ends Work Today

Social activity committee members working on the Winter Ball under the temporary chairmanship of Lloyd Smith are shown above. The students were stopped by the photographer as they were setting up one of the many posters drawn by Finis Jeffers and Kenny Abbott.

Standing, left to right, are Lloyd Smith, Marge Diaz, and Jeanne Stanbery; kneeling are Beverly Staton and Wes Hammond.

Soloists Received Favorably

A well-packed audience gathered in the men's gym Tuesday to receive the sparkling performance put on by the Heath Sisters. This was the first of four concert programs to be presented this year.

The two vocalists, Mary Jane Heath and Peggy Lawford, presented 18 dramatized versions of light opera, musical comedy and foreign folk songs. Their accompanist was Betty Jean Taylor.

The program, which was divided into three parts, included solos by each vocalist, a series of beautifully blended duets, two well-played piano numbers, and a group of Dutch songs in which Miss Heath was attired as a little Dutch girl.

Miss Heath, blonde and vivacious, was in striking contrast to red-haired and reserved Miss Lawford.

The wide selection of numbers offered was most appropriate to present to a Jaysee audience.

The spontaneous ovation from the student body was exemplary of the fine program presented.

Impressive Set Used For Play

Adding greatly to the impressiveness of the J.C. presentation of "The Barretts" was the lovely stage setting of Elizabeth Barrett's sitting room. Accurate in every detail, the setting displayed the early Victorian wealth of Elizabeth's father, Edward Moulton Barrett, in the rich draperies, wall paper, and statuettes of the period.

Mr. Leon Amyx's art class and Bob Bushta, Joe Bragdon, Frank Smith and Ann Nichols worked hard to provide a stage set worthy of the talented cast and succeeded in turning out one of the best settings ever shown on the junior college stage.

David Hill and Peggy Ann Taylor contributed furniture which was authentically Victorian.

Lemos Elected On Local School Survey Group

Mr. Lemos was elected this week to represent the Monterey, Santa Cruz, and San Benito counties as a member of the local division of the State Commission on School Districts.

The announcement came as a reply to a letter asking him to

Locals Roll Over Midshipmen Quintet

Playing their second home basketball game of the still-infant season, the Salinas Junior College Panthers scored a convincing 52-to-33 victory over a weak and impotent San Mateo Merchant Marine Cadet five last Wednesday night.

Jim Blinkenberg, classy Panther center, gave the best individual performance of the evening as he tanked 17 points to

lead the local attack. Blinkenberg was closely followed by Irv Parker who scored 12.

The first half of this contest was a rather dull affair as the home team failed to co-ordinate effectively against the weak opposition. In the first half, only three of the local players made the scoring column. Tom Perez, Blinkenberg, and Parker teamed up to give the Panthers a 23-to-18 lead.

In the second half, the Panther five began a well co-ordinated attack which fairly sparkled. The locals executed their plays with a smoothness that broke almost every member of the squad into the scoring column. In this half, the locals looked like a basketball team for the first time this year.

All members of the squad picked up valuable game experience except Ron Rico and Finis Jeffers who were out with injuries.

In the preliminary encounter, the Salinas junior varsity chalked up a 39-to-31 win over the Cadet junior varsity.

The local five jumped into an early lead, and were never overtaken, although the Merchant Marine quintet fought stubbornly and were never out of striking distance.

Philip DeBord and Lloyd King led the scoring with 10 points each.

1947 GRID CONTESTS

Representatives of the Northern California Junior College Conference met in San Francisco and Stockton last week and took final action on dividing the league into "A" and "B" divisions and drawing up the 1947 football season. Stockton was admitted as the sixth upper division member.

Salinas opens the season on October 3 or 4 at Stockton, the next week traveling to Modesto, either on Friday or Saturday night. Santa Rosa comes to Salinas to engage the Panthers on October 17 or 18. Salinas then travels to Sacramento.

The next three weeks, the Panthers entertain San Mateo, go to San Francisco, and wind up the season here on November 21 or 22 versus Menlo.

From where we sit, it looks as if Salinas Junior College is in the "A" division of the Northern California Junior College Conference to stay. In a recent league meeting, a vote was taken, and the decision reached that all schools with the enrollment of over 600 will be placed in the "A" division.

The Panthers took it on the chin from all of the upper bracket teams during football season, while suffering their worst setback from a "B" division squad, Stockton. Stockton has over 600 in the school, so they will be the sixth "A" division school in the league. Ouch!

Salinas has the smallest school in the division, and it may be mighty hard to find enough material in the school to give us a representative club.

It would be a smart gesture on the part of the league heads to divide the loop into a more evenly matched and workable conference, with the schedule split based on past performances of the different schools.

Basketball fans in this area would do well to string along with the all-powerful Santa Clara Broncos if they are looking for the best team to date. It may be still too early in the season to pick the outstanding squad in this region, but it's a dead cinch Santa Clara will be near the top when the final percentages are computed. Fred Laney and Sam Alaimo lead the quick-striking Bronco attack that should lead to a complete reversal of form in Bay Area cage circles.

The upset of the New Year's Day football card may well come at Houston, Texas, where St. Mary's and Georgia Tech will mix it up in the annual Oil Bowl. Georgia Tech is a two-touchdown favorite to cop the fray, but our sports staff is in agreement that St. Mary's will upset the dope bucket.

Panthers Suffer First Diamond Loss

Suffering their first defeat of the year, the Salinas J.C. Panthers were the victims of a 7-4 upset at the hands of the Stolte Construction nine in the finale of the first half of the Winter League. The game was played before a slim gathering of shivering fans in the Monterey ball park last Sunday afternoon.

The locals were the victims of the Stolte moundsman, identified only by the name of Delvin, who had the Panther batters in complete check after the first inning.

Once more proving to be a fast starter, the Salinas nine jumped into an early lead with a three-run outburst in their half of the first inning. Irving Parker opened the inning with a sharp double and came home on Tom Perez's one-base knock. Charlie Mornard kept the rally alive with another single, advancing Perez to third. Frank Stone, Panther first sacker, came through with still another one-base blow that scored both Perez and Mornard. Delvin avoided further trouble by striking out the side to end the innings and the only Salinas rally of the afternoon.

Neither Dean Dillingham nor Topper Arnett, Panther moundsmen, had much success in locating home plate during the afternoon's activity, allowing 10 walks between them over the seven-innings route. The Stolte batters enjoyed their biggest success in the fourth inning when they sent nine batters up to the plate and gathered in four runs.

After their first inning outburst, the locals were able to gather in a single base hit for the remainder of the afternoon. Charlie Mornard led the locals in the hits department, getting two safeties in his four trips to the plate.

Sunday's loss put Salinas in a first-place tie along with the Carmel Legion for the first half of the league schedule.

Baseball Nine To Play Sunday

The Winter Baseball League swings into the second half of league play on Sunday with the Salinas Junior College Panthers and the Monterey American Legion mixing it up at the Monterey Ball Park at 2 o'clock.

The Panthers wound up the first half of the league in a first place tie with the Carmel Legion with three wins and one loss apiece. Carmel lost their lone game to Salinas, while the Panthers took it on the chin last Sunday, with the Stolte Construction dishing it out.

"Scoop" Arnett and Dean Dillingham will, in all probability, share the mound assignment.

SAN JOSE IN 42-29 WIN OVER SALINAS

San Jose's jayvee cage team proved the undoing of the Salinas J.C. five last Friday night as they turned back the locals, 42-29, in the preliminary to the San Jose State varsity and Chapel of the Oaks encounter.

The games were played in the San Jose State gym.

Coach Ed Adams took full advantage of the practice tilt and substituted freely, giving all the squad members a chance to get into the contest. High point honors for the Panthers went to Jim Blinkenberg with 6 digits for the evening.

Panthers Swarm Over Watsonville Hi Cagers 42-15

Coach Ed Adams' Salinas Junior College basketball team swarmed over Watsonville High School last Saturday night at Watsonville, 42-15. Irving Parker, Panther guard, sparked the attack once again with 12 points as the collegians eased in with little trouble.

Salinas enjoyed a 19-to-7 lead at half time, adding 23 more counters in the second stanza to win in a walk.

Thinking Out Loud

By PEGGY ANNE TAYLOR

Throughout the years of revolution in machinery and industry, Christmas has become a commercialized gold mine for manufacturers, wholesalers, and retailers.

The birth of Christ is the purpose of our celebrating Christmas, but due to advertising and high pressured salesmen, thoughts of Christ are buried under mounds of expensive, but "cheap" articles, and Christmas is only a day for gifts.

In the past three weeks, stores have piled their counters high with articles to please every member of the family. Even digging deep into these piles, a person would be unable to uncover anything worth giving to those they wish to remember. The few worthwhile things that could have been purchased are now stored away and trite material has been placed on sale at exorbitant prices for the unsuspecting buyer.

Granted is the fact that the gifts were bought because friends were meant to be remembered on this ever-important day, but wouldn't the most valuable gift of all be a sincere expression of love alone.

It would probably be the greatest calamity that ever hit industry if people were to give only love and kindness at this time of the year, but if this were to happen, it would be the closest we have come in many years in hitting the true meaning of the eventful occasion.

LEMOS . . .

Minor Sports Game Schedule Set by Conference

Mr. John B. Lemos and Mr. Ed Adams attended a recent meeting of the Northern California Junior College Conference in San Francisco to arrange schedules for the coming tennis, track, golf, baseball, ski, badminton, and boxing events. Next year's football schedule was also discussed.

There will be a badminton meet at Marin J.C. on March 7-8, to be attended by all schools in the N.C.J.C.C. Each school will be represented by three singles matches and one doubles match, five men in all.

The baseball games will commence on March 22 and will end on May 29. Salinas J.C. will play games with the following junior colleges: San Francisco, Santa Rosa, Menlo, San Mateo, Vallejo, and Marin. There will be two divisions in the N.C.J.C.C. Baseball League. Salinas is in the Coast League. The winner of the Coast League and the winner of the Valley League will play off for the N.C.J.C.C. championship. All games will be double-headers.

Salinas is in the "A" league for the coming track meets. On March 22, Salinas will meet San Francisco J.C. at Salinas. On March 29, Salinas will journey to the University of California for a conference meet, and April 5 to Stanford for another conference meet. Salinas will meet Modesto at Modesto in a dual meet on April 22. S.J.C. will also have dual meets with San Mateo, April 19, at Salinas; Stockton, April 26, at Salinas; Sacramento, May 3, at Sacramento; and on May 10 there will be the "A" conference meet at Sacramento, climaxed by the Fresno Relays on May 17, and the Cal Relays on May 24. There is to be an invitational meet at Compton on June 6.

Modesto will sponsor a ski meet at Ball Mountain, near Modesto, at the Modesto Ski Club there. A definite date has not yet been set.

March 14-15, there will be a boxing tournament of N.C.J.C.C. held in Modesto. A team of five men will represent Salinas J.C. Three dual meets with Grant J.C. and Modesto J.C. respectively are indefinitely scheduled, too.

On May 29-30-31, there will be a combination swimming, golf, and tennis meet at Stockton J.C., to be attended by the junior colleges making up the N.C.J.C.C.

U.S.C. . . .

(Continued From Page 1)

1947.

For further details, interested students should read the letter posted on the bulletin board by Mr. B. L. Borough's office, and see Mr. Cassidy concerning the bulletin which will be sent by U.S.C. The spring semester opens February 7, and registration is scheduled for the Fifth and Sixth.
